IMMEDIATE RELIEF: Under the provisions of the U.S.CODE TITLE 18, PART I, II, III, IV, V ¹

*We the People of the United States, in Order to form a more perfect Union, establish Justice, insure domestic Tranquility, provide for the common defence, **promote the general Welfare**, and secure the Blessings of Liberty to ourselves and our Posterity, do ordain and establish this Constitution for the United States of America.*

*Article. I., Section. 9., Clause 7.: No Money shall be drawn from the Treasury, but in Consequence of Appropriations made by Law; **and a regular Statement and Account of the Receipts and Expenditures of all public Money shall be published from time to time.***

I, Roberta Kelly, [to the very best of my ability as a learned American according to the information provided in the news and other sources of data], do declare the following:

1. The a-b-c knowledge which is necessary to communicate our *Bill of Rights'* and our U.S. Constitution provides by and through the State IE, government,
 - a. State, IE STATE is ALL We The People government;
 - b. Our U.S. Constitutional Republic's Social Credit Contract began on or about 1917, via the Federal Global Banking Reserve **Credit-Debt** System,
 - c. it was NOT to **promote the general Welfare**, and secure the Blessings of Liberty to ourselves and our Posterity, do ordain and establish this Constitution for the United States of America, see the US-global-economic-financial-terrorism-warfare since on or about 1917.
2. In 2011, Article. I., Section. 9., Clause 7, is beyond the idea of past due for an accounting according to the highest and strictest standards of forensics in international-global commerce and to the most honorable level of enlightenment in the U.S. Constitution,
 - a. No Money shall be drawn from the Treasury, but in Consequence of Appropriations made by Law; and a regular Statement and Account of the Receipts and Expenditures of all public Money shall be published from time to time. Article. I., Section. 9., Clause 7,
 - b. James Madison, Notes for Speech Opposing Paper Money.²
3. Human Rights' such as but not limited to, NON-TOXICALLY POISONED air, water, dirt-soil, food, medicine, monies-exchanging commerce, information and the natural resources to live DO NOT disappear in a *super pirating* of our **SOCIAL CONTRACT**,
 - a. Rosa Koire, ASA, California Certified General Real Estate Appraiser, Accredited Senior Appraiser, American Society of Appraisers, District Branch Chief, California Department of Transportation, Bachelor of Arts, English, UCLA, 1982 Executive Director,

through her website www.DemocratsAgainstUNAgenda21.com and her grassroots tactical organization, Santa Rosa Neighborhood Coalition, she, with other community leaders, has enabled activists on many seemingly unconnected issues to come together and fight UN Agenda 21/Sustainable Development.³

4. In or about 2003, the State of Washington [see *Martin, Kelly, et al. v. Cowlitz County*] and Governor Chris Gregorie, Attorney General Rob Mc Kenna, *et al.*, in wilful intention participated in what was named [Club of Rome] the Salmon Recovery, UN 21 in reviewing the Rosa Korie investigation(s). As well, *Georgia Guidestones* stand in statement of the global dark age agenda.

5. Perhaps the Founding Fathers idea about religion is in need of also a completely and one hundred percent [100%] review and accounting, a reckoning of the infinite number of those who and whom are in high places of government that are also enjoying dual citizenship or above the U.S. Constitution in very high places as foreign crusade driven organizations.

a. Taxation of religions that are profiteering in global businesses of spreading gospel so to speak, as can be easily and effortlessly accomplished in technology sophistication, and also Taxation of any/all global businesses which capitalize upon the criminal insanity of our human species,'

b. SOCIAL CREDIT is clearly intended for only the lawful U.S. natural born, thus,

c. human traffic trade must cease, desist and STOP immediately.

NOTICE, Court, [to the, but not limited for the, crusading religiosity *super-pirates'* *globalism's*]: FULLY HONOR the U.S. Constitution's rule of law in due process.
